

GUARANTEED TOUGH.

DEWALT

DEWALT® hand trucks are built from the ground up to support the heaviest of loads and are designed to raise the bar on toughness and durability. With a load bearing capacity of up to 1200 lbs (544 kg) you can be sure these hand trucks can handle the heaviest of loads on the worksite.

Whether you're moving heavy stacks of panels or bags of cement, you want to have the confidence in the equipment being used. DEWALT® hand trucks allow items to be moved securely and easily.
